OFFICE CHRISTMAS PARTIES & FESTIVE TASTING EXPERIENCES

Gain access to our preferential rates for a sparkling wine Christmas tasting experience at your UK offices. The festive format is completely tailor-made to every event and can be focused on your needs and objectives.

A popular format is a standing reception - every 30-45 mins a different wine is poured and explained, giving guests a chance to network between each wine (between three to five wines can usually be tasted over the course of the evening).

Alternatively, for more intimate groups, we can arrange a seated tasting masterclass.

PREFERRED SUPPLIERS:

Pair your wines with seasonal, delicious canapes from either [Doggart & Squash](#) or [Rocket](#)

Hire glassware for your events from [Sensible Wine Services](#)
