

# GUSBOURNE

## JOIN US AT THE VINEYARD

We warmly invite you to Gusbourne to discover our wines in the heart of the Kent countryside, just under an hour from London. Our estate offers a unique opportunity to go behind the scenes and explore how our award-winning still and sparkling wines are crafted.

Your visit begins at The Nest, our tasting room and cellar door, which overlooks the estate and provides direct access to our vineyards. From here, you'll explore how site, climate, and viticultural decisions shape the character of our wines, before visiting our state-of-the-art winery for an in-depth look at our production processes. The day concludes with a seated masterclass tasting of hand-selected Gusbourne wines, followed by a delicious two-course lunch.

To help you enjoy the very best of Gusbourne, we've curated the following itinerary:
