

You are warmly invited to celebrate harvest with us at Gusbourne – one of the most magical times of the year.

Your experience begins with a walkaround wine tasting at The Nest, where you'll discover a selection of new releases, limited-edition formats and classic bottlings that showcase the breadth and character of our winemaking.

You are also welcome to join a 45-minute guided vineyard tour, where you'll see grapes being carefully hand-picked before they head to the winery. To complete your visit, enjoy a seasonal three-course lunch, with each dish thoughtfully paired with our wines to celebrate the flavours of the season

Timings: 11am-3pm

BOOK YOUR PLACE

We look forward to seeing you at the vineyard.

Please note, harvest takes place in accordance with the weather and the vineyard manager's skilled assessment of the optimum time to pick the grapes. We cannot guarantee you will be able to experience all of these harvest activities during your visit due to the variability of nature and its effect on processes in the vineyard and winery.

During your visit at Gusbourne, you will spend the majority of time outdoors exploring the vineyards and discovering just what makes our corner of Kent so special for winemaking. Please keep the outdoors nature of your tour in mind when choosing clothing and footwear to ensure you are warm and dry throughout your visit.
